## **JOURNAL**

Spend some time journaling your doubts, your fears, your frustrations.

## **PRAY**

Thank you God for Your Word that reminds me of who You are.

Of Your love. Of Your provision. Of Your protection. Of Your presence and Your nearness.

Thank You that there is nothing that can separate me from Your love.

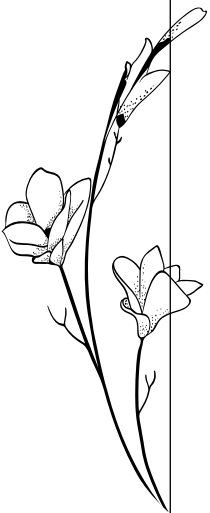

Thank You that in the fire and in the flood, You will never let me go.

Thank You that I can know and experience Your great love because You sent Your son to die in my place, proving that You would stop at nothing to rescue me.

Thank you for a love that is unconditional and depends not on my worthiness but on Yours.

Thank You for a love that cannot be broken or severed, ever.

Thank You for a love that is never stopping, never giving up, unbreaking, always & forever.
